

2020 Get Lit Seasonal Lighting Annual Pricing Guide

Get Lit is 100% LED on all new installs!

Process

New customers are billed for the cost of materials, installation, removal and storage. Returning customers are charged for installation, removal, and storage. Returning customers are charged roughly 2/3s their first year total bill. After the third year, customer bills will fluctuate depending on how many bulbs, clips, or other materials that need replacing. We provide a three-year warranty on all of our materials.
